#### ESI'S POLICY

To be eligible for excess coverage, the credit union must comply with ESI's rigid underwriting standards. Also, ESI's insurance policy requires that every quarter the credit union submit financial statements and a listing of accounts eligible for excess coverage in order to continue coverage. Individual policies are <u>not</u> provided to members, and there is no direct cost to you for this coverage. It is important to note that excess deposit insurance is payable only upon the failure and liquidation of the credit union. The credit union or ESI may terminate or modify this coverage, but in either case you would be notified in writing of any change in the excess coverage.

#### **ABOUT ESI**

Headquartered in Dublin, Ohio, ESI is a wholly owned subsidiary of American Share Insurance, a credit union-owned private deposit insurer founded in 1974 by credit unions, for credit unions. As a property and casualty insurer, ESI is subject to licensing and regulation by your state's insurance department. Furthermore, the company's financial statements are audited annually by an independent CPA firm and are available upon request through the credit union. ESI is not a federal or state government agency.

## **Message From The CEO**

### Happy New Year!

The start of a new year often brings a sense of hope as we reflect on the past and plan for the future. Whether you're fond of making New Year's resolutions, or can't seem to stick with them, I want to encourage you with a different perspective. While we often think of this time of year as the time to get in shape physically, it's a great time to set goals for your whole life. Goals are different from

resolutions in that they generally follow four stages: preparation, goal setting, planning and follow-up. It may sound like a lot of work, but it's really not.

When it comes to your finances, we want to help you set and meet goals that will impact your future in the most positive way. Perhaps you've been thinking, "I sure would like to save more." Or "I sure wish we could take a vacation this summer." Setting goals is the perfect way to achieve your financial dreams. Whether it's a vacation or retirement...setting measurable goals, and revisiting those goals often, will help you meet your financial dreams.

At Kemba, we're here to help. We're people just like you. We understand groceries aren't cheap and saving isn't easy. Let us help you set and meet your financial goals this year. Whether it's consolidating debt, buying a new vehicle or saving for retirement, we can help. Stop by or call us today if you have any questions regarding your financial goals.

You can do this! Make 2025 your year of financial success!
